BREATHE THE FRESH AIR LIKE FORM ANTARCTIC

## BRING FRESH AIR HOME

SMART LIFE, ENJOY HEALTHY AIR

DETAIL

DETAIL

### LONG-DISTANCE REMOTE CONTROL

Users can remote control to start air purifier before home and enjoy the fresh air when come back.

### 20 MILLION NEGATIVE IONS

Release highly-activated and micro negative ions, which can move longer distance and have excellent to remove pm2.5, smoke, pollen and bacteria.

### TURBINE AIR DUCT DESIGN

Low noise ,air blow more concentration more larger purification area.

## Multiple purification

Large capacity modified activated carbon + Micro holes technology + Efficient HEPA filter with catalytic technology + micro negative ions. Different layers of filtration can remove all kinds of harmful substance.

### Pre-Filter

user can replace the pre-filter regularly when used in dust environment. It can prolong the whole filter service life.

Dust

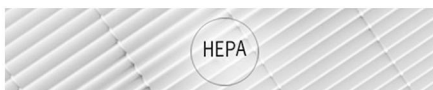

Hair

Dander

### Bamboo HEPA-Filter

PM2.5

Smoke

Allergen

Bacteria

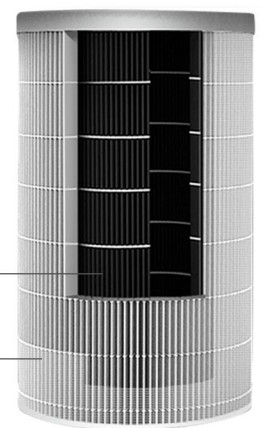

### Modified Activated Carbon-Filter

Formaldehyde

Peculiar Smell

Benzene

Modified Activated Carbon-Filter

Bamboo HEPA-Filter

Product model	C2
Colour	White+Black
Efficient area	Up to 63 m <sup>2</sup>
Particle CADR	519.5 m <sup>3</sup> /h
Formaldehyde CADR	216.4m <sup>3</sup> /h
Micro negative Ions	20 million pcs/cm <sup>3</sup>
Input power	AC100-240V 50Hz/60hz
Wattage	72.5w
Size	320 x 320 x 650mm
Net weight	10.5 kg
